OUR SERVICES

DASSIE SAFARIS - We are professional and experienced safari/tour operator in Tanzania.

· We are experts in the following;

Mountain Climbing

Towering to an elevation of 5895m above the sea level, Mt. Kilimanjaro is termed as the roof top of the African continent and the world's tallest free-standing mountain, rich in both flora and fauna diversities. This made it to be the best Tanzania and East Africa's most climbed mountain, with different ecological zones, each zone has got its uniqueness and offers you a unique story and experiences every time you make a step up the peak. We DASSIE can arrange from a 6-11DAYS tour to this magnificent landmark at an affordable cost and make your African dreams come true. This is practically done assisted by our Professional Mountain Guides.

Wildebeest Migration Safaris

Serengeti/Mara ecosystem is the best destination to dip yourself, most commonly during the MIGRATION pilgrimages or episodes. Large numbers of zebras, gnus and other antelope species migrate in such of green pasture and water. This rhythmic inheritable instincts start from the Southern Serengeti plodding Northward to Masai Mara Nature Reserve in Kenya, crossing 2 mostly infested rivers, the Gurmeti and Mara Rivers with full of giant penile crocs awaits for their annual feast. Predation scenarios, mating rituals, grazing and movements are among the activities to observe just to mention a few. We can arrange a 7-15 DAYS tour to this magnificent destination.

Beach holidays

There are several Islands in Tanzania, including Zanzibar, Mafia, Pemba among others with quite different tastes to some extent they do taste similar. These breathtaking islands are quite peaceful and tranquility is at its maximum. There are some fabulous beaches on these islands and many choices for an ideal spot to sit back and watch the white dhow sailing cruising the startling blue waters of the third largest ocean. There are plenty of options for all clients whether to eat or sleep, dive or snorkel, fish or swim. Our key point destination being the beach of Zanzibar islands can take from 4-21 days.

Lake Tour Safaris

Tanzania being surrounded by the major 3 Great Lakes, Lake Victoria, Tanganyika and Nyasa offers a unique taste to those who love to take it smooth and to those who like to unwind from safaris. Different activities can be arranged and organizes such as swimming, sport fishing, sunbathing, canoeing and other activities to mention a few. We DASSIE are experts as we can traverse through these lakes from 4-21 DAYS.

Wildlife Safaris

Experience the African wilderness by selecting our various wildlife safaris. The wildlife safaris give our clients a golden opportunity to visit different protected areas where flora and fauna are conserved and preserved. You will get to enjoy everything from mountains, to savannas, beaches to bushes, and woodlands to forests. Our safari protocols compose of all most wildlife tourist circuit in Tanzania. The tourist circuits are Northern, Eastern, Western, Southern and the Coasts (coastal island circuit).

Cultural Tourism Programs

Tanzania culture is as diverse as it is with over more than 120 tribes, each shows similarities and differences at large, ranging from the Maasai people who are to be found almost everywhere in our game parks to the last hunters-gatherers who do reside close to the great Serengeti, to the Iraq people who are characterized by being having a brown tonic skin, long pointed nose, thin lips and the wavy or curly hairs. Bantus, Cushite, Nilotes, Semi-Hemites do reside here giving you a broad spectrum to learn different stories from them, from their body modification, lifestyle patterns, social organization, their origin, assimilation among others. We can organize a very rewarding trip of 1-12 DAYS to these cultural destinations at large.

Historical Expeditions

Tanzania has preserved its past ancient pre-historic and historical attractions which can be visited today. Tanzania has many historical sites ranging from museums where different past things are preserved, streets which still presents the history, establishment of the past, archaeological sites and ancient rock paintings. Visit Tanzania museums get the Museologist who will expose to you any kind of information you deserving.

Bird Watching Expedition

Tanzania is the largest East African country with lot of forests, savannah, woodlands and water bodies all of which attracts many species of birds. Its climatic condition being a magnet to lifers from mega birds like ostrich to little critters and skulkers from waterfowls to waders. It all made Tanzania to be one of the Africa's best birding destinations. Tanzania has one of the largest species lists of any African country with over 1200 of which over 800 species are residents and nearly 200 are regular palearctic migrants, 22 species are endemic and confined to some regions of the country. Migrants are present from November to April sometimes up to mid-May.

Hot Air Balloon Rides

Never visit and leave Tanzania without getting a unique taste of flying in the Africa's most top ranked destinations teemed with wildlife both flora and fauna, at the same time catching a beautiful sunrise, a champagne splash and a bush (hot) breakfast making your trip worthier with iconic memories and moments.

Chimpanzee Tracking

Tanzania is teemed with lots of wild animals including the world famously known Great Apes (The Chimpanzees) in Tanzania's Gombe Stream National Park and the Mahale Mountains National Park offers you a vital chance of meeting these great apes in their natural wild habitats, best months to track them are mainly during the dry seasons in the months of February, December. You are supposed to be physically fit for one to do tracking along the valleys and during the wet spells as the trails are slippery.

Camping Safaris

Tanzania being one of the countries with the best travel destinations in Africa and having spectacular wildlife, we also arrange this spectacular safari which offers endless game viewing opportunities. We arrange both standard and budget camping which will enable you fulfill your goal in a wonderfully way, camp in lake Manyara national park, Tarangire national park, Ngorongoro conservation area or Serengeti national park. Stay in our standard or budget camping accommodation pitched on the protected areas (parks) public camp and enjoy your Africa stay in a style that will leave a mark in your heart/soul and brain forever. Your reverence for the wildlife of Tanzania and Africa will be soared to new levels. Budget camping is the ideal way for those who like to "rough it". Accommodation is provided in a public campsite with mattresses, bed sheets, pillows, blankets and with folding safari beds and tables. Everything needed in the campsite is provided including chairs, tables, a chemical toilet, good view away from animal routes allowing you enjoy everything around you. The experience of camping in an African bush is so special and fulfilling.
